## *Hospitalist—Stratford, ON*

Stratford General Hospital has an immediate opportunity for full-time, part-time or locum hospitalists. Our Hospitalist program is comprised of family medicine and internal medicine physicians, with no overhead or outside office/practice required. Responsibilities include providing in-patient medical care as MRP to approximately 25 acute medicine/surgical, mental health and rehab/complex continuing care patients.

### **About Stratford General Hospital:**

Stratford General Hospital is a 120 bed hospital located in Southwestern Ontario that offers a full range of medical and diagnostic services including CT, MRI, and 24-hour laboratory, diagnostic imaging and respiratory therapy services. We also offer specialty services in Internal Medicine, Emergency Medicine, ENT, Orthopedic, Urology, General Surgery, Anesthesia, Psychiatry, OB/GYN, Ophthalmology and Paediatrics.

### **Our Community:**

Stratford is a city of 35,000 residents, located on the Avon River. We are centrally located, 30 minutes from Kitchener/Waterloo, 45 minutes from London, 60 minutes from the beautiful beaches of Bayfield and 90 minutes from Toronto. Our community is broadly recognized as having North America's largest classical repertory theatre, presenting the works of William Shakespeare and other great writers in four venues. Stratford offers frequent concert and culinary events and annual festivals. Few places in Ontario are lovelier or more alive with culture and character than Stratford!

### **Schedule and Compensation:**

Hospitalists are responsible for inpatients for one week with handover occurring Mondays at 0800. Hospitalists receive a daily stipend in addition to HOCC payments for on-call services.

Accommodation is available in Stratford for physicians living out of town at no cost.
