

Obstetrical Pre-Admission Phone Clinic

If you are planning a birth at Stratford General Hospital, you are required to Pre-Register. This appointment should be arranged as soon as you have received your pre-admission package. Please arrange your appointment with the Obstetrical Pre-Admission Clinic, by calling 519-272-8232, between 1:00 PM – 5:00 PM, Monday to Friday. Please make sure you have your health card available and any extended health coverage information.

What to have ready for your phone appointment

1. List of current medications
2. Personalized Birthing Plan (Optional)
3. Any questions regarding the 3 handouts provided by your Obstetrician/Midwife

About your phone appointment

1. A nurse will call you around your scheduled appointment time, please allow 30-40min for this phone appointment.
2. You will need to provide information regarding any allergies, current medications, your health history and your birthing plan.
3. You will have the opportunity to ask general questions about the unit, if you have any specific questions regarding your labor and birth, please direct them to your Obstetrician/Midwife at your next visit.
